Ferry Lane, Rainham, Essex

Took a quick trip today to Denver Industrial Estate on Ferry Lane is home to 3 depots all adjacent to each other. Arriva Sightseeing, Go-Ahead / Blue Triangle & East London Bus Group

2 things to remember should anyone venture here.

- i. Vehicle access is only via the A13 not from the village side as the railway line had been gated. Still possible on foot.
- ii. Denver Industrial Estate is far from a desirable area to say

the least. The roads are narrow and falling apart and add to that the local natives are **NOT** Friendly.
